The Board of Directors recommends that advisory votes on executive compensation should occur every three years.

Your vote is important, regardless of the number of shares you own. We encourage you to vote by proxy so that your shares will be represented and voted at the meeting even if you cannot attend. All stockholders can vote by returning the enclosed Proxy Card. Stockholders may also vote by telephone or over the internet by following the instructions on the proxy card. Also, you may vote in person at the meeting if you so choose. If you do decide to attend the Annual Meeting and feel for whatever reason that you want to change your vote at that time, you will be able to do so.

This proxy statement and the accompanying proxy card are first being distributed to stockholders of Norwood Financial Corp. on or about March 21, 2011, in connection with the solicitation by our Board of Directors of proxies for use at our 2011 Annual Meeting of Stockholders (the "Annual Meeting") which will be held at the administrative office of Wayne Bank, 717 Main Street, Honesdale, Pennsylvania on Tuesday, April 26, 2011, at 11:00 a.m., local time.

**VOTING AND PROXY PROCEDURES**

---

**Who Can Vote at the Annual Meeting**

You are only entitled to vote at the Annual Meeting if our records show that you held shares of our common stock, \$.10 par value (the "Common Stock"), as of the close of business on March 11, 2011 (the "Record Date"). If your shares are held by a broker or other intermediary, you can only vote your shares at the Annual Meeting if you have a properly executed proxy from the record holder of your shares (or their designee). As of the Record Date, a total of 2,768,904 shares of Common Stock were outstanding. Each share of Common Stock has one vote in each matter presented.

**Voting by Proxy**

The Board of Directors is sending you this Proxy Statement for the purpose of requesting that you allow your shares of Common Stock to be represented at the Annual Meeting by the persons named in the Board of Directors' form of proxy. Stockholders of record may vote by proxy in any of three different ways:

- *Voting by Telephone.* Call the toll-free number on the enclosed proxy card and follow the instructions. You will need to have your proxy card with you when you call.
- *Voting on the Internet.* Go to [www.ilstk.com](http://www.ilstk.com), click on "I am a Shareholder" and select the "internet voting" tab. You will need to have your proxy card with you when you link to the internet voting site.
- *Voting by Mail.* Complete, sign, date and return the enclosed proxy card in the envelope provided.

All shares of Common Stock represented at the Annual Meeting by properly executed or authenticated and dated proxies will be voted according to the instructions indicated on the form of proxy. If you return a proxy without giving voting instructions, your shares will be voted as recommended by the Company's Board of Directors. **The Board of Directors recommends a vote "FOR" each of its**

**nominees for director, a vote “FOR” approval of the non-binding resolution on executive compensation, a vote for having advisory votes on executive compensation every “THREE YEARS” and a vote “FOR” the ratification of the appointment of S.R. Snodgrass, A.C. as our independent auditors.**

If any matters not described in this Proxy Statement are properly presented at the Annual Meeting, the persons named in the Board of Directors’ form of proxy will vote your shares as determined by a majority of the Board of Directors. If the Annual Meeting is postponed or adjourned, your Common Stock may be voted by the persons named in the Board of Directors’ form of proxy on the new Annual Meeting dates as well, unless you have revoked your proxy. The Company does not know of any other matters to be presented at the Annual Meeting.

You may revoke your proxy at any time before the vote is taken at the Annual Meeting. To revoke your proxy you must either advise the Company’s Secretary in writing before your Common Stock has been voted at the Annual Meeting, deliver a later-dated proxy, or attend the Annual Meeting and vote your shares in person. Attendance at the Annual Meeting will not in itself revoke your proxy.

If you hold your Common Stock in “street name,” you will receive instructions from your broker, bank or other nominee that you must follow in order to have your shares voted. Your broker, bank or other nominee may allow you to deliver your voting instructions via the telephone or the Internet. Please see the instruction form provided by your broker, bank or other nominee that accompanies this Proxy Statement.

### **Internet Access to Proxy Materials**

Copies of this proxy statement and the 2010 Annual Report to Stockholders are available on the internet on the Stockholder Services page at [www.waynebank.com](http://www.waynebank.com). Stockholders can elect to receive future proxy statements and annual reports over the internet rather than in printed form. Stockholders of record can make this election by calling toll-free to 1 (800) 598-5002, sending an email to [info@waynebank.com](mailto:info@waynebank.com), or by following the instructions on the Stockholder Services page at [www.waynebank.com](http://www.waynebank.com). If you hold your shares in street name, please refer to the information provided by your broker, bank or other nominee for instructions on how to elect to access future proxy materials over the internet.

### **Participants in the Wayne Bank Employee Stock Ownership Plan**

If you are a participant in the Wayne Bank Employee Stock Ownership Plan (the “ESOP”), you will receive a voting instruction form that reflects all shares you may vote under the ESOP. Under the terms of the ESOP, all shares held by the ESOP are voted by the ESOP trustees, but each participant in the ESOP may direct the trustees on how to vote the shares of Common Stock allocated to his or her account. Unallocated shares and allocated shares for which no timely voting instructions are received will be voted by the ESOP trustees in the same proportion as the shares for which the trustees have received timely voting instructions, provided that in the absence of any voting directions as to allocated stock, the Board of Directors of the Bank will direct the ESOP trustees as to the voting of all shares of stock in the ESOP. The deadline for returning your voting instruction form to the ESOP trustees is April 19, 2011.

### **Vote Required**

The Annual Meeting can only transact business if a majority of the outstanding shares of Common Stock entitled to vote is represented at the Annual Meeting. If you return valid proxy instructions or attend the Annual Meeting in person, your shares will be counted for purposes of

determining whether there is a quorum even if you abstain or withhold your vote or do not vote your shares at the Annual Meeting. Under Pennsylvania law, if a proxy casts a vote for a matter on the agenda, the stockholder represented by that proxy is considered present for purposes of a quorum. Broker non-votes will be counted for purposes of determining the existence of a quorum. A broker non-vote occurs when a broker, bank or other nominee holding shares for a beneficial owner does not have discretionary voting power with respect to the agenda item and has not received voting instructions from the beneficial owner.

In voting on the election of directors, you may vote in favor of all nominees, withhold votes as to all nominees, or vote in favor of all nominees except nominees from whom you specifically withhold your vote. There is no cumulative voting in the election of directors. Directors must be elected by a plurality of the votes cast at the Annual Meeting. This means that the nominees receiving the greatest number of votes will be elected. Votes that are withheld and broker non-votes will have no effect on the outcome of the election.

In voting to approve the non-binding advisory vote on executive compensation, you may vote in favor of the proposal, against the proposal or abstain from voting. To be approved, this proposal requires the affirmative vote of a majority of the votes cast at the Annual Meeting. Broker non-votes and abstentions will not be counted as votes cast and will have no effect on the voting on this proposal.

In the advisory vote on the frequency of advisory votes on executive compensation, you may vote to have a non-binding advisory vote on executive compensation every one, two or three years or abstain from voting. The number of years which receives a plurality of the vote cast will be considered the option approved by stockholders. Broker non-votes and abstentions will not be counted as votes cast and will have no effect on the outcome of the voting on this proposal.

In voting to ratify the appointment of S.R. Snodgrass, A.C. as our independent auditors, you may vote in favor of the proposal, against the proposal or abstain from voting. To be approved, this proposal requires the affirmative vote of a majority of the votes cast at the Annual Meeting. Broker non-votes and abstentions will not be counted as votes cast and will have no effect on the voting on this proposal.

## PROPOSAL I - ELECTION OF DIRECTORS

---

The Board of Directors currently consists of nine members, each of whom also serves as a director of our principal subsidiary, Wayne Bank. Our Articles of Incorporation provide that the Board of Directors must be divided into three classes as nearly equal in number as possible. At each annual meeting of stockholders, each of the successors of the directors whose terms expire at the meeting will be elected to serve for a term of three years expiring at the third annual meeting of stockholders following the annual meeting of stockholders at which the successor director was elected.

## CORPORATE GOVERNANCE

---

### **Director Independence**

The Board of Directors has determined that Directors Snyder, Phillips, Matergia, Marshall, O'Neill, Gumble-Cottell and Forte are independent under the independence standards of The Nasdaq Global Market on which the Common Stock is currently listed. In determining the independence of directors, the Board of Directors considered the deposit and loan relationships which various directors have with Wayne Bank and certain business relationships between Wayne Bank and organizations in which certain directors have an interest. In determining whether Mr. Matergia is independent, the Board of Directors considered work occasionally done by his law firm for the Bank but determined that due to the small volume of work done, his independence was not affected. There are no members of the Audit Committee who do not meet the independence standards of The Nasdaq Global Market for Audit Committee members and no members of the Audit Committee are serving under any exceptions to these standards.

### **Code of Ethics**

The Company has adopted a Code of Ethics, which applies to all directors, officers and employees of the Company and the Bank. It is expected that all directors, officers and employees act, in all matters, in accordance with the highest standards of personal and professional conduct in all aspects of their employment and association with the Company and the Bank, to comply with all applicable laws, rules and regulations and to adhere to all policies and procedures adopted by the Company and the Bank.

### **Board Leadership Structure and Role in Risk Oversight**

Under the Board of Directors' current leadership structure, the offices of Chairman of the Board and Chief Executive Officer are held by separate individuals. John E. Marshall serves as Chairman of the Board of Directors. Mr. Marshall is an independent director and does not serve in any executive capacity with the Company. The Company's Chief Executive Officer is Mr. Lewis J. Critelli. Although the offices of Chairman of the Board and Chief Executive Officer are currently held by separate individuals, the Board of Directors has not made a determination that this is the appropriate leadership structure for the Board of Directors in all circumstances and reserves the right to combine these offices in the future if deemed appropriate under the circumstances.

The Board of Directors has general authority over the Company's risk oversight function with authority delegated to various board committees to review risk management policies and practices in specific areas of the Company's business. The Audit Committee is primarily responsible for overseeing the Company's risk management. The Audit Committee works closely with officers involved in the risk management function including the internal audit staff who report directly to the Audit Committee.

### **Meetings and Committees of the Board of Directors**

The Board of Directors conducts its business through meetings of the Board and through activities of its committees. All committees act for both the Company and the Bank. During the fiscal

year ended December 31, 2010, the Board of Directors of Norwood Financial Corp. held four regular meetings and the Board of Directors of the Wayne Bank held twelve regular meetings. Independent directors meet twice annually in executive session. No director attended fewer than 75% of the total meetings of the Boards of Directors of the Company and committees on which such director served during the fiscal year ended December 31, 2010.

**Audit Committee.** The Audit Committee is comprised of Directors Forte, Phillips, Matergia and Gumble-Cottell. The Board of Directors has determined that each of the members of the Audit Committee is independent in accordance with the listing requirements for The Nasdaq Global Market. The Board of Directors has adopted a written audit charter which was included as an appendix to the proxy statement for the 2010 Annual Meeting of Stockholders. A current copy of the Audit Committee charter is not available on our website. The Audit Committee is a standing committee and, among other matters, is responsible for developing and maintaining the Company's audit program. The Audit Committee also meets with the Company's independent auditors to discuss the results of the annual audit and any related matters.

In addition to regularly scheduled meetings, the Audit Committee is available either as a group or individually to discuss any matters that might affect the financial statements, internal controls or other financial aspects of the operations of the Company. The Audit Committee met four times during the fiscal year ended December 31, 2010.

**Compensation Committee.** The Compensation Committee consists of Directors Marshall, Matergia and Snyder. This standing committee met once during the fiscal year ended December 31, 2010 to review the compensation of the chief executive officer and other executive officers. The members of the Compensation Committee are independent in accordance with the listing requirements of The Nasdaq Global Market. For a discussion of the committee's processes and procedures for determining director and executive officer compensation, see the "Compensation Discussion and Analysis" below. The Compensation Committee has not adopted a written charter.

#### **Audit Committee Financial Expert**

The Board of Directors has determined that Dr. Andrew A. Forte, a member of the Company's Audit Committee, is an "Audit Committee Financial Expert" as that term is defined in the Securities Exchange Act of 1934. The Board of Directors has also determined that Dr. Forte is independent as that term is used in the Securities Exchange Act of 1934.

#### **Compensation Committee Interlocks and Insider Participation**

The Compensation Committee consisted of Directors Marshall, Matergia and Snyder at December 31, 2010. Director Marshall is Chairman of the Board of the Company and the Bank and serves as Chairman of the Compensation Committee. Members of the Compensation Committee are non-employee directors of the Company and the Bank. No member of the Committee or any other director is, or was during 2010, an executive officer of another company whose board of directors has a comparable committee on which one of the Company's executive officers serves. None of the executive officers of the Company is, or was during 2010, a member of the board of directors or a comparable compensation committee of a company of which any of the directors of the Company is an executive officer.

#### **Director Nomination Process**

The Nominating Committee consists of Directors Marshall, Matergia and Snyder, each of whom is independent within the meaning of the rules of The Nasdaq Global Market. The Nominating Committee

met once during the year ended December 31, 2010. The Board of Directors has adopted a charter for the nominating committee which is included as an appendix to this proxy statement. The Nominating Committee Charter is not available on our website.

The Company does not currently pay fees to any third party to identify or evaluate or assist in identifying or evaluating potential nominees. The Committee's process for identifying and evaluating potential nominees includes soliciting recommendations from directors and officers of the Company and its wholly-owned subsidiary, Wayne Bank. Additionally, the Committee will consider persons recommended by stockholders of the Company in selecting the Committee's nominees for election. There is no difference in the manner in which the Committee evaluates persons recommended by directors or officers and persons recommended by stockholders in selecting Board nominees.

To be considered in the Committee's selection of Board nominees, recommendations from stockholders must be received by the Company in writing by at least 120 days prior to the date the proxy statement for the previous year's annual meeting was first distributed to stockholders. Recommendations should identify the submitting stockholder, the person recommended for consideration and the reasons the submitting stockholder believes such person should be considered. The Committee believes potential directors should be stockholders, should have the highest personal and professional integrity and should be knowledgeable about the business activities and market areas in which the Company and its subsidiaries engage. The Committee may consider diversity in market knowledge, background, experience, qualifications, and other factors as part of its evaluation of each candidate.

### **Stockholder Communications**

The Board of Directors does not have a formal process for stockholders to send communications to the Board. In view of the infrequency of stockholder communications to the Board of Directors, the Board does not believe that a formal process is necessary. Written communications received by the Company from stockholders are shared with the full Board no later than the next regularly scheduled Board meeting. In addition, directors are accessible to stockholders on an informal basis throughout the year and formally at the Annual Meeting. The Board encourages, but does not require, directors to attend the Annual Meeting of Stockholders. All directors then serving attended the 2010 Annual Meeting of Stockholders.

The Company's operating results for 2010 indicates that our compensation programs continue to support our operating goals and our financial targets in our efforts to build long-term value for our shareholders. Company net income for 2010 increased by 3.5% over 2009 and our earnings per share grew to \$2.65 per share, a 3.1% increase over 2009. We increased our quarterly cash dividend to shareholders from \$0.28 per share to \$0.29 per share as of February 2011, representing a 3.6% increase in the dividend amount.

A summary of the actions taken by the Compensation Committee in 2010 related to our compensation programs applicable to our Named Executive Officers (NEOs) listed in the Summary Compensation Table include:

- We recruited a new Chief Financial Officer, William S. Lance.
- Stock Options were awarded to the NEOs as of December 31, 2010.
- Cash bonuses were paid to our NEOs ranging from 16% of salary to 31% of salary.
- Base salary increases for our NEOs were approved ranging from 2.4% of salary to 8.3% of salary.

### **Philosophy and Objectives**

The Company's compensation programs are designed to effectively attract, retain, motivate and reward Named Executive Officers (NEOs) and all employees for their performance. The Company believes in maintaining a competitive compensation package to insure continuity of the management team with the goal of increasing shareholder value over the long-term.

The objectives of the compensation package include the following:

- Create an overall compensation package that is competitive with those offered by other financial institutions in our market area while providing appropriate incentives for the achievement of short and long term performance goals.
- Encourage achievement of short-term performance goals through cash incentive programs
- Use stock incentive plans to reward long-term performance and align interests of management with stockholders
- Encourage long-term management continuity and loyalty through the accrual of post-employment benefits
- Monitoring the incentive compensation applicable to NEOs and other officers and employees within acceptable parameters of risk to the Company

Financial services is a competitive industry and the Company operates in a market area which is headquarters to many other community banks as well as much larger institutions. The NEOs officer compensation package is therefore structured to keep the current team in place. The Company feels this is important due to the following attributes of the NEOs:

- In depth knowledge of the local markets
- Familiarity with Norwood's operations
- Strong customer relationships
- Management succession planning
- Proven success
- Over thirteen consecutive years of earnings growth and dividend increases

The Company has a balanced package of short-term cash based compensation and longer-term stock based plans and retirement plans. The Company's Executive Compensation package includes the following key elements:

- Base Salary
- Cash Incentive Bonus Plan
- Long Term Equity-Based Incentive Compensation
- Employment Agreements

- Post-Employment and Retirement Programs
- Insurance and Other Benefits
- Perquisites and other Personal Benefits

### **Administration of Compensation Program**

The Compensation Committee of the Company is responsible for the administration of the compensation program of the President, Chief Executive Officer and Chief Financial Officer and the other Named Executive Officers.

The Compensation Committee meets in November of each year to determine annual salary adjustments, cash bonus and stock option awards for NEOs. The Company does not have a formal policy addressing each specific type of compensation.

The Committee does consider a variety of factors as it evaluates compensation for each NEO, including:

- Overall company performance as compared to budget and prior year's performance;
- Bank regulatory examination results;
- Bank performance metrics compared to peers, including return on assets, return on equity, charge-offs, level of non-performing loans and efficiency ratio; and
- The individual achievements of each NEO in their respective areas of responsibility.

In establishing base salaries and increases, the committee has access to various compensation surveys to ensure a competitive salary level. These include:

- The Conference Board Salary increase survey
- The Nash and Company PA Bank and Thrift Compensation Report
- SNL Executive Compensation Review

The Company does not specifically benchmark compensation to any specific group of companies.

For 2010, the Company did analyze a peer group of financial institutions consisting of the following banks competing in the northeast Pennsylvania market: Pensco Financial Services Corp. (PFNS), Fidelity D&D Bancorp, Inc. (FDBC), ESSA Bancorp, Inc. (ESSA), Dimeco, Inc. (DIMC), Embassy Bancorp, Inc. (EMYB), First National Community Bancorp, Inc. (FNCB), Sussex Bancorp (SBBX) and Jeffersonville Bancorp (JFBC).

Absent a material increase in duties or a significant change in the economic or competitive landscape, salaries are not increased materially from year to year.

At each meeting, the Chief Executive Officer discusses with the Committee the performance evaluations of each of the NEOs excluding himself, and presents his recommendations. The Chief Executive Officer is not present for any discussion involving his compensation.

Depending on the Company's performance for the year, the Compensation Committee establishes a cash incentive bonus pool based on a percentage of pre-tax earnings. Specific bonus amounts are awarded to each NEO based on performance as determined within the discretion of the Compensation Committee. The Company realizes that all employees contribute to its success, and therefore, cash bonuses are also distributed to employees at all levels based on merit. The Company has never been

required to materially adjust or restate the pre-tax earnings on which the bonus pool has been calculated and does not have a policy regarding the adjustment or recovery of bonuses in such an event.

The Committee also grants stock option awards under the Norwood Financial Corp. 2006 Stock Option Plan. The Stock Option Plan was designed to provide long-term incentives to NEOs, directors and other key employees that contribute to the success of the Company. The ten-year life of the options is structured to retain the NEOs and promote the long-term success of the Company.

The Board of Directors believes that equity-based compensation is important in aligning the interests of management with those of shareholders and has established the Wayne Bank Employee Stock Ownership Plan and 2006 Stock Option Plan to help it achieve this objective. Although each of the NEOs has a substantial personal investment in the Common Stock, the Board of Directors does not have formal equity ownership requirements or guidelines for executive officers.

### **Components of Compensation Program**

The major components of compensation for 2010 are as follows:

#### Salary

As a result of the Company's ongoing success and the continuity of the management team, current base salary levels are above the median. The Compensation Committee approved an average 3.00% increase in staff salaries at the December meeting. This level was based on information from the Conference Board which indicated commercial banks would increase officer salaries by 3.00%. NEOs salary increases ranged from 2.4% to 8.3% excluding increases related to any material changes in duties. The employment agreement in effect in 2010 with Mr. Critelli provides for a base salary of \$180,000 and a minimum annual increase of \$5,000.

Annually, the Compensation Committee reviews the salary levels of the CEOs in the peer group established (as detailed above). In 2010, the salary range paid to the CEO in this peer group was \$196,000 to \$334,000. In evaluating Company performance for determining compensation to be paid to the NEOs, the Committee also considers the Company's performance metrics compared to an SNL custom peer group of financial companies consisting of publicly traded financial institutions in the Middle Atlantic Region with assets of between \$500 million and \$1 billion. In 2010, this custom peer group consists of DNB Financial Corporation (DNBF), Dimeco, Inc. (DIMC), Mid Penn Bancorp, Inc. (MPB), Juniata Valley Financial Corp. (JUVF), Comm Bancorp, Inc. (CCBP), Union National Financial Corp. (UNNF), CCFNB Bancorp, Inc. (CCFN), Emclair Financial Corp. (EMCF) and Peoples Financial Services Corp. (PFIS). For 2010, the Company exceeded the median reported return on assets (ROA), return on equity (ROE), net interest margin and efficiency ratio of this custom peer group. The base salary for Mr. Critelli will increase from \$180,000 to \$195,000, a 8.3% increase, effective January 1, 2011.

#### Bonus

For 2010, the Board approved a bonus pool equal to \$405,000 or 4.1% of pre-tax earnings to be distributed to all NEOs, other officers and employees. Historically, this bonus pool percentage has varied from 4.0% to 4.4% of pre-tax earnings. In establishing this bonus pool, the Committee considered the Company's overall performance including an increase in earnings and ROA, ROE, the efficiency ratio and loan quality each of which ranks in the top quartile of the Company's peer group. Awards under the bonus pool are made within the discretion of the Compensation Committee and are not based upon pre-established performance criteria.

### Stock Based Awards

The Compensation Committee approved stock option awards under the Norwood Financial Corp 2006 Stock Option Plan. The purpose of the plan is to provide incentives and rewards to officers, employees and directors that contribute to the success and growth of the Company. In 2010, a total of 24,000 options were granted to 26 key employees including the NEOs. Such options granted in 2010 represents 0.87% of total shares outstanding. The NEOs were awarded 42% of the total options granted. Such percentage of options awarded to NEOs has declined over time as more key employees have been included in the plan.

### Timing of Grants

Stock awards are typically granted annually as part of the individual performance review process. This takes place at the Compensation Committee Meeting in November. The full board ratifies the actions of the Committee in December and establishes the grant date. The exercise price is based upon the last sale price of the Company's stock at the closing on the effective date of grant or if there is no trading on such date then the last trading day prior to such date of grant. As described above, grants for 23,000 shares were awarded effective December 31, 2010.

### Retirement and Severance Arrangements

The Company has salary continuation plan agreements (SCP) with Messrs. Critelli, Kasper and Sanders. The agreements provide that upon termination of employment on or after reaching age 62, or following a change-in-control, if earlier, such executive will be eligible to receive annual retirement benefits as detailed in the Pension Benefits Table below. The SCP was initially established in 1999. Benefit amounts were calculated based on the amount of supplemental retirement income needed to allow the executive to retire on approximately 40-75% of projected final salary when such supplemental benefit is added to the Company's qualified retirement plans and social security. The range of 40% to 75% of final salary is based on total years of service with the Company from inception date of the plan. The target supplemental salary levels payable at normal retirement age as follows: up to 15 years of service – 40%, 15-25 years – 65% and 25 or more – 75%.

The NEOs participate in the Bank's defined contribution profit-sharing and 401(k) Plan which is open to all employees over the age of 21 after one year of employment. The 401(k) Plan permits employees to make pre-tax contributions of between 2% and 10% of their compensation to their accounts in the 401(k) Plan and the Bank will match the first 2% of the contribution. In addition, in 2010, the Compensation Committee approved an additional corporate contribution equal to 7% of each eligible employee's compensation. The Committee considers the financial performance of the Company when it sets the Company's annual contribution under the plan. For each eligible NEO, the Company contributed a total of 9% of the NEO's base salary to the Plan, the same percentage as for all eligible employees who contributed at least 2% of their compensation to their account.

Each of the NEOs participate in the Employee Stock Ownership Plan (ESOP) which is open to all employees who have met the eligibility requirements. (See Note 9 of Notes to the Consolidated Financial Statements in the 2010 Annual Report to Stockholders.)

As part of the long-term compensation package, the Company and the Bank have entered into a three-year employment agreement with Mr. Critelli. If the Company terminates Mr. Critelli, without just cause and absent a Change in Control, he would be entitled to a payment of salary for amounts due under the agreement with a minimum severance payment of one year's salary. The agreement has a two step change-in-control trigger under which, in case of a voluntary termination within 30 days of a change-in

control or an involuntary termination or voluntary termination for good reason during the six months before or within one year after a change-in-control, Mr. Critelli would be paid a lump sum amount equal to three times the five-year average of his annual compensation less \$1.00. We believe that the change-in-control provision is desirable in order to ensure that Mr. Critelli remains focused on the interests of the Company and its shareholders in the event of a pending change-in-control. In the event of a change in control, the Company will indemnify Mr. Critelli for any tax penalties that may be incurred by him for amounts received that exceed the limitations under Sections 280G and 4999 of the Code. A portion of such payments that could be made by the Company to Mr. Critelli as severance payments following a Change in Control transaction might be a non-deductible payment of the Company for federal income tax purposes. The Compensation Committee believes that it is in the best interests of the Company's shareholders that the Committee has the flexibility to make severance payments that might exceed deductibility limits under Section 280G of the Code.

The Company and the Bank have entered into a five-year change in control severance agreement with Mr. William Lance, Chief Financial Officer. The agreement has a two step change-in-control trigger under which, in case of a voluntary termination within 30 days of a change-in-control or an involuntary termination or voluntary termination for good reason during the six months before or within one year after a change-in-control, Mr. Lance would be paid a lump sum amount equal to two times his then current base salary, not to exceed the five-year average of his total taxable annual compensation less \$1.00. We believe that the change-in-control provision is desirable in order to ensure that Mr. Lance remains focused on the interests of the Company and its shareholders in the event of a pending change-in-control.

The Compensation Committee balances short-term and long-term compensation for the NEOs. Long term compensation includes stock option grants, salary continuation plan and other benefits available to all employees which include contributions to 401(k) Plan, ESOP and life insurance. For 2010, the target range for short-term compensation as a percentage of total compensation was 70% to 80% with long-term compensation at 20% to 30% of total compensation. We believe this formula is competitive within our market place and peer group. The Company did not use the services of any compensation consultants or advisors during 2010.

#### Other Benefits and Perks

In accordance with the terms of Mr. Critelli's employment agreement, the Company provides him with use of an automobile, including insurance, maintenance, fuel, fees and other costs. The Company also pays the costs for use of a local country club to facilitate business activities by the NEOs.

(1) Mr. Doolittle's bonus amount for 2010 includes a \$10,000 sign-on bonus paid on the first anniversary of his hiring.

(2) Based on the aggregate grant date fair value of the award computed in accordance with FASB ASC Topic 718. For assumptions used in determining the grant date for value of the options, see Note 13 of Notes to the Consolidated Financial Statements in the 2010 Annual Report to Stockholders. Using the Black-Scholes Option Pricing Model and the assumptions described on Note 13 of Notes to the Consolidated Financial Statements, we determined that the fair value of each option granted in December 2010 was \$6.12. For Mr. Lance, an additional 1,000 options were granted in March 2010 with a fair value of \$6.77.

\* Option awards were approved by the Board of Directors on December 14, 2010 to be effective on the last business day of the year. The exercise price was equal to the fair market value of the Common Stock on the Grant Date in each case.

Lewis J. Critelli has entered into a three-year employment agreement with Wayne Bank. The employment agreement provides for annual one-year renewals on each anniversary date of the agreements unless either party provides prior written notice to the contrary. The agreement provides that the Board of Directors will review his salary not less often than annually and shall increase his base salary by no less than \$5,000 per year. The employment agreement provides that Mr. Critelli will participate equitably in discretionary bonuses that the Board of Directors may award to senior management from time to time. Mr. Critelli is also entitled to participate in specified benefit plans and in any fringe benefits made available to senior management.

In accordance with SEC regulations, the Summary Compensation Table treats the increase in the present value of the Named Executive Officer's retirement benefit under the Salary Continuation Plan as an item of compensation. The Salary Continuation Plan provides that the Named Executive Officers will receive a fixed annual payment beginning at retirement at age 62 for a period of 15 years. The increase in present value is a function of the annual accrual to fully vest the Named Executive Officer at retirement age.

The Summary Compensation Table includes various miscellaneous income items under “All Other Compensation.” Under the Company’s 401(k) Plan, eligible employees may annually contribute between 2% and 10% of their compensation to their accounts in the 401(k) Plan. The Company generally matches employee contributions up to 2% of salary. In 2010, the Company made an additional contribution of 7% of salary. Since all eligible Named Executive Officers each contributed at least 2% of salary, a contribution of 7% was made to each of their accounts. The Company pays premiums on life insurance coverage for all eligible employees including the Named Executive Officers with insurance coverage of three times base salary. Each Named Executive Officer also participates in the Wayne Bank Employee Stock Ownership Plan. Excludes the value of certain perquisites and personal benefits which did not exceed \$10,000 in the aggregate for any Named Executive Officer.

**Outstanding Equity Awards at Fiscal Year End.** The following table sets forth information concerning outstanding equity awards of the Named Executive Officers at fiscal year end. There were no stock awards outstanding at fiscal year-end.

The Bank has entered into salary continuation agreements as identified above. The purpose of the salary continuation plan is to provide the Named Executive Officers with an additional retirement benefit in excess of the maximum benefit payable under the tax-qualified 401(k) plan. The agreements provide that upon termination of employment on or after reaching the age of 62, Messrs. Critelli, Kasper and Sanders will be entitled to an annual retirement benefit equal to \$61,000, \$31,367 and \$24,000, respectively, payable over 15 years. The retirement benefit is fixed and not dependent on pre-retirement compensation. In the event of death during active service, the Named Executive Officer's beneficiary will be entitled to the normal retirement benefit commencing on the date of death. In the event of disability or early termination for a reason other than death, disability, cause or following a change-in-control, the Named Executive Officers are entitled to a reduced benefit payable beginning with 90 days of disability in the case of disability or at normal retirement age in the case of early termination. The amounts payable under early termination and disability are based upon the plan years in which the event occurred. If the Named Executive Officers work past age 62, they are eligible for an increased benefit of 4% per year, pro rated at 0.3274% per month compounded up to age 65. The Named Executive Officers are not entitled to benefits in the event they are terminated for cause. On a change of control of the Company, the Company will pay the normal retirement benefit to the Named Executive Officers in 12 equal monthly installments payable on the first day of each month commencing with the month following attaining age 62 and continuing for 179 additional months. The Named Executive Officers will not be entitled to any benefit if

they violate certain non-compete provisions including becoming employed by or participating in the management of another bank or thrift following a termination of employment. These non-compete provisions, however, do not apply following a change-in-control.

**Potential Payments Upon Termination or Change-in-Control.** The Named Executive Officers are parties to various agreements that provide for payments in connection with any termination of their employment. The following table shows the payments that would be made to the Named Executive Officers at, following or in connection with any termination of their employment in the specified circumstances as of the last business day of the last fiscal year.

(1) Amount shown is lump sum payment to which named executive officer would be entitled in the event of a change-in-control or the remainder payments under the contract in the event of an involuntary not for cause termination. Certain amounts may be eligible for tax-gross up to indemnify the NEO for any tax penalties incurred. The amounts shown do include this effect.

(2) Amount shown is present value of 180 months of payments over payout term using a 7.50% discount rate.

(3) Amount shown is equal to fair value of unvested portion of options at December 31, 2010 calculated using the Black-Scholes Option Pricing Model and the assumptions contained in Note 13 of Notes to Consolidated Financial Statements. Since the only unvested options were granted on December 31, 2010 at an exercise price equal to the fair market value of the Common Stock on the date of grant, there was no excess of fair market value over exercise price at that date.

**Employment and Severance Agreements.** Under his Employment Agreement, the Company or the Bank may terminate Mr. Critelli's employment at any time for "just cause" as defined in the Agreement without further liability. If the Company or the Bank terminated Mr. Critelli without just cause, he would be entitled to a continuation of his salary for the remaining term of the Agreement with a minimum of one year from the date of termination as well as the continuation of other benefits. In the event of an involuntary termination or voluntary termination with good reason during the period beginning six months prior and ending one year after a change in control, Mr. Critelli will be paid in a lump sum an amount equal to three times the five-year average of his annual compensation minus \$1.00. Under the Agreements, Mr. Critelli is prohibited from competing with the Bank for one year if his employment is terminated for just cause or he resigns for a reason other than good reason. The Company has entered into a Change-in-Control Severance Agreement with William S. Lance pursuant to which he would be entitled to severance payments equal to two times his annual compensation in the event of an involuntary termination or a voluntary termination with good reason during the period beginning six months prior and ending one year after a change in control.

**Salary Continuation Plan.** For a description of the Salary Continuation Plan, see “ – Pension Benefits” above.

**Stock Option Plan.** The stock option plan provides that each outstanding stock option will become immediately vested in the event of the death or disability of the optionee or upon a change-in-control of the Company.

The Company does not presently compensate its directors. Each director of the Company is also a director of the Bank and receives fees accordingly. Lewis J. Critelli, President and Chief Executive Officer, does not receive board or committee fees for his participation thereon. Each non-employee member of the Bank's Board of Directors receives a retainer of \$2,000 per month. In addition, fees are paid for various committee meetings as follows: Trust Committee (\$300); Audit Committee (\$300); Compensation Committee (\$300); and Loan Committee (\$300). For the fiscal year ended December 31, 2010, fees paid to all directors totaled approximately \$243,400, all of which were paid by the Bank. The Company pays for life insurance coverage of \$50,000 for each director.

Under the 2006 Stock Option Plan, stock options for 525 shares each were awarded to non-employee directors effective upon stockholder approval of the plan for 2005 and options for 500 shares were awarded on December 29, 2006. Options for 500 shares were awarded to each non-employee director effective as of December 31, 2008, 2009 and 2010, respectively. The exercise price of these options was in each case equal to the fair market value of the underlying Common Stock on the effective date of grant. In each case, the options vest and become exercisable one year from the date of grant. Additional options may be granted to non-employee directors on an annual basis on a date established by the Compensation Committee.

## RELATED PARTY TRANSACTIONS

---

Certain directors and executive officers of the Bank, their families and their affiliates are customers of the Bank. Any transactions with such parties including loans and commitments are made on substantially the same terms and conditions, including interest rate and collateral, as those of comparable transactions prevailing at the time with other persons unrelated to the lender, and do not include more than the normal risk of collectibility or present other unfavorable features. The Bank has adopted written policies and procedures for the approval of loans to directors and executive officers. All loans to directors and executive officers are approved by the entire Board of Directors in advance with the director or executive officer abstaining from participating directly or indirectly in the voting.

## PROPOSAL II – APPROVAL OF A NON-BINDING ADVISORY VOTE ON EXECUTIVE COMPENSATION

---

Section 951 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (the "Dodd-Frank Act") and the implementing regulations proposed by the Securities and Exchange Commission thereunder provide that for the first annual meeting of shareholders on or after January 21, 2011 and not less than once every three years thereafter the Company must include a separate resolution subject to shareholder vote to approve the compensation of the Company's named executive officers, as disclosed in its proxy statement pursuant to Item 402 of Regulation S-K of the Securities and Exchange Commission.

This proposal, commonly known as a "say-on-pay" proposal, gives the Company's shareholders the opportunity to endorse or not endorse the Company's executive pay program and policies, as disclosed in this Proxy Statement, through the following resolution:

**"Resolved, that the shareholders approve the compensation of the Company's Named Executive Officers as disclosed in this Proxy Statement."**

As provided in the Dodd-Frank Act, this vote will not be binding on the Board of Directors and may not be construed as overruling a decision by the Board, creating or implying any change to the fiduciary duties of the Board or any additional fiduciary duty by the Board or restricting or limiting the ability of shareholders to make proposals for inclusion in proxy materials related to executive

compensation. The Compensation Committee, however, may take into account the outcome of the vote when considering future executive compensation arrangements.

In voting to approve the above resolution, shareholders may vote for the resolution, against the resolution or abstain from voting. This matter will be decided by the affirmative vote of a majority of the votes cast at the Annual Meeting. On this matter, abstentions will have no effect on the voting.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” APPROVAL OF THE COMPENSATION OF THE COMPANY’S NAMED EXECUTIVE OFFICERS AS DISCLOSED IN THIS PROXY STATEMENT.**

---

**PROPOSAL III – ADVISORY VOTE ON THE FREQUENCY  
OF ADVISORY VOTES ON EXECUTIVE COMPENSATION**

---

Section 951 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”) and the implementing regulations proposed by the Securities and Exchange Commission thereunder require that at the first annual meeting of shareholders held on or after January 21, 2011 and not less frequently than once every six years thereafter the Company must include a separate resolution subject to shareholder vote to determine whether the non-binding shareholder vote on executive compensation that is the subject of Proposal II should occur every one, two or three years.

The Board of Directors welcomes the views of shareholders on executive compensation matters. The Board of Directors, however, does not believe that it is necessary to have the non-binding vote on executive compensation occur every year. The Board of Directors believes that a triennial vote will allow stockholders the time needed to properly assess the impact of changes made in the Company’s executive compensation program in response to shareholder votes on executive compensation. Triennial votes will also reduce the Company’s costs of proxy solicitations. Accordingly, the Board recommends that the non-binding vote on executive compensation occur only once every three years.

As provided in the Dodd-Frank Act, this vote will not be binding on the Board of Directors and may not be construed as overruling a decision by the Board, creating or implying any change to the fiduciary duties of the Board or any additional fiduciary duty by the Board or restricting or limiting the ability of shareholders to make proposals for inclusion in proxy materials related to executive compensation.

In voting on the frequency of the non-binding say-on-pay resolution, shareholders may vote to have the vote occur every one, two or three years or abstain from voting. The option which receives the most votes from shareholders will be deemed to be the option selected by shareholders. On this matter, abstentions and broker non-votes will have no effect on the outcome.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE TO HAVE THE NON-BINDING VOTE ON EXECUTIVE COMPENSATION OCCUR EVERY “THREE YEARS.”**

**PROPOSAL IV - RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS**

---

S.R. Snodgrass, A.C. was the Company’s independent auditors for the 2010 fiscal year. The Board of Directors has appointed S.R. Snodgrass, A.C. to be its independent auditors for the fiscal year ending December 31, 2011, subject to ratification by the Company’s stockholders. The engagement of S.R. Snodgrass, A.C. was approved in advance by the Audit Committee. A representative of S.R.

Snodgrass, A.C. is expected to be available at the Annual Meeting to respond to stockholders' questions and will have the opportunity to make a statement if the representative so desires.

On August 11, 2009, the Company dismissed Beard Miller Company LLP ("BMC") as the Company's independent public accountants, and engaged S.R. Snodgrass, A.C. to serve as the Company's independent public accountants. The appointment of Snodgrass and the dismissal of BMC were approved by the Audit Committee of the Company's Board of Directors. BMC performed audits of the Company's consolidated financial statements for the years ended December 31, 2008 and 2007. BMC's reports did not contain an adverse opinion or disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles. During the two years ended December 31, 2008 and from December 31, 2008 through August 11, 2009, there were no disagreements or reportable events between the Company and BMC on any matters of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved to the satisfaction of BMC, would have caused them to make a reference to the subject matter of the disagreements or reportable events in connection with their reports.

**Audit Fees.** The aggregate fees billed by the Company's principal accountant for professional services rendered for the audit of the Company's annual consolidated financial statements and for the review of the consolidated financial statements included in the Company's Quarterly Reports on Form 10-Q for the fiscal years ended December 31, 2010 and 2009 were \$130,707 and \$126,060, respectively.

**Audit Related Fees.** The aggregate fees billed by the Company's principal accountant for assurance and related services related to the performance of the employee benefit plan audit and services in connection with the Company's Sarbanes-Oxley compliance for the years ended December 31, 2010 and 2009 were \$10,995 and \$9,090, respectively.

**Tax Fees.** The aggregate fees billed by the Company's principal accountant for professional services rendered for preparation of state and federal tax returns and other tax matters for the years ended December 31, 2010 and 2009 were \$13,900 and \$8,484, respectively.

**All Other Fees.** The aggregate fees billed by the Company's principal accountant for professional services rendered for services or products other than those listed under the captions "Audit Fees," "Audit-Related Fees," and "Tax Fees" for the years ended December 31, 2010 and 2009 were \$0 and \$3,025, respectively.

The Audit Committee has not adopted any pre-approval policies and procedures for audit and non-audit services to be performed by the independent auditors. Such services are approved in advance by the Audit Committee itself. No services were approved pursuant to the *de minimus* exception of the Sarbanes-Oxley Act of 2002.

Ratification of the appointment of the independent accountants requires the affirmative vote of a majority of the votes cast at the Annual Meeting. **The Board of Directors recommends that stockholders vote "FOR" the ratification of the appointment of S.R. Snodgrass, A.C. as the Company's independent auditors for the 2011 fiscal year.**
