Monticello, NY – Wayne Bank's Monticello Community Office Manager, Erin Mason, recently completed the Leadership Sullivan Program.

The culmination of the 10 month program was the completion of a class community service project. Erin served as Project Coordinator for her 12 member class, whose project was to repair and revitalize a portion of the O&W Rail Trail in two areas of Sullivan County. The class assisted the Town of Liberty and the Parksville Rail Trail Committee with a three mile portion in Parksville,

including the donation and placement of a bench. They also worked on a three mile portion in Hurleyville to remove two longstanding abandoned boats.

“We are proud to congratulate Erin on this wonderful achievement,” noted Lewis J. Critelli, President and Chief Executive Officer of Wayne Bank. “Her dedication to increasing her skill set and knowledge of her local community are to be commended, and show why she is a valuable asset to the management team at Wayne Bank.”
